

JOIN THE FLORHAM PARK CUB SCOUTS

ON FRIDAY, SEPT. 30th @ 7:00PM

BRIARWOOD SCHOOL GYM

Join us as Sciencetellers takes us on a spectacular adventure as we learn all about dry ice and the shifting states of matter through the tale of "Dragons & Dreams." Wouldn't dragon's breath be an amazing sight to see?! Well, get ready to see it ... feel it ... maybe even taste it!

This story features interactive and explosive experiments with dry ice, fog, smoke-filled bubbles, flying rockets and more.

The Florham Park Cub Scouts is a volunteer based organization which provides a fun and educational program for boys entering 1st-5th grade.

We encourage family participation during den meetings, camping trips, family hikes, derby races, fundraisers and award ceremonies.

Our program seeks to engage our sons in character development as well as to instill values such as citizenship, courage, honesty, loyalty and responsibility in a fun and educational way.
